## Covid Safety

We have been working hard to ensure the safety of our guests and our teams. Below is a list of some of the actions we have taken to reduce the risk.

- Deep cleaning: We have increased disinfection and cleaning of all high-contact surfaces and will be deep cleaning all our spaces overnight.
- Keeping everyone safe: On arrival, everyone will be asked to use the hand sanitiser provided throughout our spaces and we're also introducing a no-touch policy, so no handshakes or high-fives for the moment unfortunately. If you or your guests are feeling unwell, please follow the current advice by self-isolating for 14 days until you feel better.
- Social distancing: We will be rearranging all our areas for social distancing and one-way traffic wherever possible and will be installing clear signage for guidance
- For the time being we will only be offering table service and no standing at the bars inside. Guests will be allowed to order at the bar in small numbers.
- All guests are invited to pre order food and drink to reduce the amount on contact when in the venue
- Contactless: We will be operating cashless to help limit contact between members and our team.
  - A full risk assessment has been conducted and we can confirm we will comply with the government guidelines on managing risk of Covid 19.
  - We have taken all reasonable steps to help people work from home
- We have all reasonable steps to maintain a 1m+ distance in the workplace
- Where people cannot be 1m+ apart, we have done everything practical to manage transmission risk

We look forward to welcoming you back to The Exhibit.  
New look, new food, new drinks, same great times.
